The Benefits of Financing:

- ✓ **Low Daily Payments** - Maintain cash flow with micro payments drafted daily from your business bank account.
- ✓ **Flexible Payment Terms** - Options from 3 to 12 months.
- ✓ **Loan Amounts** – Amounts from \$5000 to \$1 Million, dependent on the cash flow of your business. Typically, 1 to 2 times your average Monthly Gross Revenue.
- ✓ **100% Tax Deductible** – The IRS allows for the entire loan amount + interest to be fully deducted as an expense for the business.
- ✓ **Cash Flow** - Earn as you pay to maintain cash flow without going completely out of pocket.
- ✓ **Bank Credit Lines** – Credit lines with your bank remain open for any other needs your business may require.
- ✓ **Wide Credit Parameters** - There are multiple programs available for financing different credit grades, even if you have a lower credit score.
- ✓ **Personal Credit** – Banks will file a blanket lien against all of your assets, both business and personal, to secure your loan or line of credit. When you finance with **EverlastingCapital**, only the contract itself is secured and the transaction is not exposed on your personal credit report.
